12:30 *Lunch Buffet*

13:30-14:30 *Joint Meeting of Board of Directors and Steering Committee*

5) Ethics session, chaired by Göran Hermerén

14:30-15:00 **Kristina Lukauskaite**, Stem Cell Banking, outcome from Workshop 1

15:00-15:30 **Anders Haegerstrand**, Working Paper for Workshop 2,
Commercialization

15:30-16:00 **Geertrui van Overwalle** (Belgium) Working Paper for Workshop 2,
Patentability

16:00 *Coffee Break*

6) *Engraftment of stem cells for epidermal, muscular and hematopoietic repair*, chaired by *Jean-Francois Nicolas*

16:30-17:00 **Ana Cumano**, Institut Pasteur, Paris, France

17:00-17:30 **Giulio Cossu**, S. Raffaele Hospital, Milano, Italy

17:30-18:00 **Yann Barrandon**, Swiss Federal Institute of Technology, Lausanne, Switzerland

18:00-18:45 Discussion on WP6, "Application in muscular repair and neuromuscular disease", led by Margaret Buckingham

18:45-19:30 Discussion on WP7, "Application in Epidermal repair", led by Fiona Watt

19:30 *Dinner*

21:00-22:00 Poster session

TUESDAY, APRIL 5TH, 2005

7) *Application to human neurological diseases*, chaired *Ernest Arenas*

08:00-09:00 **Olle Lindvall**, Lund University, Lund, Sweden

09:00-09:30 **Anders Haegerstrand**, NeuroNova, Stockholm, Sweden

09:30-10:00 **Oliver Brüstle**, University of Bonn, Bonn, Germany

10:00-10:30 **Anders Björklund**, Lund University, Lund, Sweden

10:30 *Coffee Break*

11:00-12:30 Discussion on WP5, "Application in neurological diseases", led by Oliver Brustle

12:30 *Closure and Lunch Buffet*
